## **'FLIGHT OF THE BUFFALO' AUTHOR BELASCO TO HOLD UD WORKSHOP ON BUSINESS LEADERSHIP**

DAYTON, Ohio — James Belasco, co-author of *Flight of the Buffalo: Soaring to Excellence, Learning to Let Employees Lead*, will present a one-day workshop on leadership in organizations from 8 a.m. to 5 p.m. Thursday, Sept. 16, at the Dayton Convention Center.

Belasco, author of the best-selling business book, *Teaching the Elephant to Dance: Empowering Change in Your Organization*, is a professor of management at San Diego State University as well as CEO of a worldwide computer software and service business. He sees most managers as weighted down by old leadership patterns, acting like a lead buffalo who charges blindly ahead, urging the herd to follow. The business climate today, he says, calls for highly flexible organizations, with employees focusing on customers and willing to assume leadership when necessary.

Designed for CEOs, presidents, vice presidents, general managers, directors, entrepreneurs, workplace leaders, superintendents and educators, the workshop will offer a practical, hands-on guide for creating change in organizations.

Cost of registration is \$299. The workshop is sponsored by University of Dayton special programs. For registration materials, call (513) 229-4632.
